Our status and the services provided

We are an insurance broker who arrange cover through a fair analysis of Insurers for commercial insurance in most circumstances (you may ask us for details of these Insurers). We arrange cover through single Insurers for GAP Insurance, Total Loss Protection, Breakdown Assistance, Legal Expenses, Excess Protection and Vehicle Replacement cover. Our service includes, but is not limited to, arranging your insurance cover and helping you with ongoing changes. We will advise and make a recommendation after we have assessed your needs.

BCD are committed to sustainable business practices and environmentally friendly initiatives such as the Queens Commonwealth Canopy. We always email the welcome pack including policy documentation to you. However, you can choose to have all this information posted to you.

The capacity in which we are acting

We act as your agent in arranging and administering your policy. When claims handling, we act as an agent of the insurer.

Quotations

We cannot guarantee that any quotes will be valid for any specific period of time as any quote given is dependent on insurer rates which can change frequently. Your Insurer has the right to decline your risk, increase the premium or restrict the policy if any errors or omissions are found in the Statement of Information. A quote shall be treated as an invitation to quote and can be withdrawn by the Provider at any point before the insurance is issued.

Your responsibilities

You have a duty to give a fair presentation of risk to the insurer. This means you should disclose every material circumstance relevant to the risk being insured following a reasonable search within your business to identify and verify such information. This should include information which you and where applicable your senior management, persons responsible for arranging your insurance or other relevant third parties know or ought to know and should include all information that would influence the judgement of the insurer or that would put the insurer on notice that it needs to make further enquiries.

The information must be presented in a way which would be reasonably clear and accessible to a prudent insurer. If you are unsure whether to disclose any information you should speak to us. You need to take into account the size & complexity of your business and allow yourself sufficient time before your renewal date to consider and/or assess your insurance requirements.

Failure to provide a fair presentation may result in a number of remedies by the insurer. If the breach was deliberate or reckless the insurer can void the contract and keep the premium. If the breach was not deliberate or reckless the insurer can void the contract, proportionately reduce a claim settlement or amend the insurance policy terms and conditions then review the merits of a claim on this basis.

You should therefore always provide complete and accurate information to us when we ask you about the insurance risks your business faces before taking out a policy, at renewal and throughout the life of the policy. This also applies to your responses in relation to any assumptions you may agree to in the process of applying for insurance cover. Any advice we offer will be based on the details you provide.

When you receive your documentation, you must check all details are correct and pay particular attention to any declarations you may be asked to sign. If there are any inaccuracies, please contact us to make the required amendments immediately. It is important you read all insurance documents issued to you and ensure you are aware of the cover, limits and other terms that apply. Failure to comply with the terms, conditions or warranties could invalidate your policy or mean that claims may not be paid.

You must inform us immediately of any changes in circumstances which may affect the services provided by us or the cover provided by your policy.

If you are unsure about the information you need to provide, please contact us for guidance.

Credit searching and references

To make sure the insurers can provide you with their best price, ascertain the most appropriate payment options for you and to protect you from fraud, they will use public and personal data from a variety of sources, including credit reference agencies and other organisations. Credit reference agencies share information with other organisations, enabling applications for financial products to be assessed, helping to trace debtors, and prevent fraud. Credit scoring uses a number of factors to work out risks involved in any application. A score is given to each factor and a total score obtained. Where automatic credit scoring calculations are used, the acceptance or rejection of your application will not depend only on the results. By applying for a quotation, you agree to the use of your information. The insurers' search will appear on your credit report as Business Choice Direct whether or not your quotation proceeds to application, but it won't harm or adversely affect your credit profile.

Documentary evidence

To provide you with competitive prices and to combat fraudulent applications and claims, our Insurer's may require us to validate documentation linked to the policy type e.g. proposal forms, driving licences, no claims bonus and V5 Registration Documents. **Failure to provide us with this evidence within 21 days of the start date of your policy will result in your insurance policy being cancelled.** If your policy is cancelled for this reason, we will calculate any refund of premium in accordance with the 'Cancellation of your policy' section of this document.

Making a claim

You should take note of the required procedures in the event of a claim, which will be explained in the policy documentation provided. Generally, insurers require immediate notification of a claim or any circumstances which may give rise to a claim. We will employ due care and skill if we act on your behalf in respect of a claim.

- For all motor insurer claims please call Car Call UK on 0344 241 2204 (unless stated otherwise).
- Non-motor claims please refer to your Policy Wording.

Renewing your policy

When your policy is due for renewal we will contact you to re-assess your information and provide a quotation for the follow year. We do not automatically renew our policies, failure to reply to our correspondence will result in the policy lapsing.

Administration charges

Please see below for a breakdown of charges and fees which may be charged on your policy:

During the lifetime of your policy you may need to contact us and make changes. Some of these changes may also result in a change of premium charged by the insurer, however, we will not charge an administration fee for making these changes. We also charge a fee if your policy is cancelled.

Annual policy arrangement fee

In addition to the above we do charge a fee for arranging your policy. The fee is calculated as a percentage of insurer calculated premium based on information provided by you in your quotation for a policy. The monetary amount of any such fee will be disclosed to you prior to you purchasing/renewing the policy.

Other fees are as follows:

	Our Charges
Direct Debit arrangement charge	£25.00
Cancellation charge for policies cancelled before inception date	£25.00
Cancellation charge up to 14 days	£35.00
Cancellation charge after 14 days	up to £75.00

Remuneration

You are entitled to request at any time information regarding commission we may have received as a result of us placing your insurance business. We also receive an income for financed policies which is a percentage of the overall interest charged for the finance.

Cancellation of your policy – Non-motor policies

If you have an original Certificate of Motor Insurance, you must return it as soon as possible.

Please note that any cancellation charges listed herein are the charges we make; your insurer may also charge a cancellation fee in addition. Please ensure that you carefully read the policy wording from your insurer to ensure you are aware of any such charges

- **Before policy inception date**

You have the right to cancel your policy before the inception date, if you exercise this right and you will be entitled to a full refund of the premium paid. We will apply a charge £25.00 to cover our arrangement costs.

- **Within the 14 day cooling off period**

You have the right to cancel your policy during a period of 14 days either from the day of inception, or the day on which you receive your policy documentation; whichever is later. If you exercise this right and the cover has not yet commenced, you may be entitled to a full refund of the premium paid, depending on your insurer. If the insurance has commenced, provided a claim has not been made, your Insurer will make a deduction for the time you have been on cover and may apply a cancellation charge. In addition, we may charge £35.00 to cover our arrangement costs. If a claim has been made within this period, the annual premium will be payable.

- **Outside the 14 day cooling off period**

Annual insurance policies are arranged for a period of 12 months and you are required to pay the full amount stated. Your Insurer will apply a charge for the time you have spent on cover under the terms of their policy. Charges can vary between Providers and are detailed in your policy documentation. We will also apply a cancellation charge of up to £75.00. Our annual policy arrangement charge, any credit card charge and direct debit arrangement charge will not be refunded. If you have made a claim on the policy the annual premium will be payable.

In both circumstances, if we have given you a discount off your premium at inception this will be deducted on a pro rata basis from any refund due to you on cancellation.

Please note that the combination of charges and non-refundable products as outlined above will often result in a greater charge than the actual period of insurance. This may leave customers who pay by instalments with an outstanding balance which will need to be paid at cancellation. Failure to pay outstanding money may result in Business Choice Direct Insurance Services Limited taking steps to recover the debt using a third party debt agency. As a result, you may incur additional charges.

Cancellation of your policy – Fleet policy

Should you wish to cancel the policy and the policy has commenced, you will be liable for a minimum of 25% of the total premium whether a claim has been made or not. This is a 12 month policy and your cancellation terms are detailed in your specific Policy Wording.

Ending our relationship with you

In circumstances where we feel we cannot continue to provide services to you, we will give you a minimum of 7 days' notice. Circumstances in which we may no longer wish to continue providing services to a customer could include:

- Non-payment of premium or charges
- Commission claw-back by insurers where instructions are given to another party to handle the customer's insurance(s)
- Failure to provide requested documentation or information within specific timeframes
- Deliberate failure to comply with the terms set out within this document or the Insurers documentation
- Deliberate misrepresentation or non-disclosure, attempted fraud or other instances of 'bad faith'

Unless otherwise agreed in writing, if our relationship ends, any transaction previously initiated will be completed in accordance with these Terms of Business. You will be liable to pay for any transaction concluded prior to the end of our relationship and we will be entitled to retain commission received for conducting these transactions, together with all charges for services provided.

Payment of premiums and refunds

Unless otherwise agreed and formalised by a premium instalment plan, all premiums are due on the day cover is arranged, the date the policy is due for renewal, or the date any mid-term adjustment is processed.

Where we arrange a premium instalment plan we act as a credit broker on behalf of our customers. We do not act as the finance lender. A charge of up to £50.00 is payable for arranging premium finance on your behalf. It will be collected by being added to the amount of the premium finance loan.

Our instalment plans are arranged by Close Brothers Premium Finance and Creation Finance. Both remunerate Business Choice Direct Insurance Services Limited in the form of commission for its credit broking arrangements with our customers.

You will be responsible for paying the instalments as they fall due. In the event payment is not made, you will be sent a 7 day notice of cancellation letter. Cover will cease 7 days from the date of the letter. If we cancel your insurance for this reason, we will calculate any refund of premium in accordance with the 'Cancellation of your policy' section of this document. Any refund due to you will be off-set against any balance which may still be outstanding on your instalment plan. In most cases, refunds will be credited back to the card used to make payment. However, we may issue refunds by cheque made payable to the policyholder.

Should you have an outstanding debt or unpaid balance with Business Choice Direct on any policy associated with you, we will offset any refund that you may be eligible for against the debt. This will mean that we will not issue the refund to your card or to any live finance agreement but will instead reduce the amount owed by you to us.

Where any automatic payment agreement with Business Choice Direct has failed to be taken, Business Choice Direct will attempt to retake the payment up to 2 times following the initial agreed date, and up to 7 days after. Business Choice Direct may look to issue a 7 day notice of cancellation on your policy should the agreed payment not be collected.

If you have any concerns over either of these refund methods, then please contact us prior to making any changes to your policy. Please note: the choice of whether to refund by card or cheque is for security reasons and remains at our discretion. Refunds made to a payment card will appear in your account between 7-10 working days depending on your banking provider. We will not accept responsibility for cancellation of insurance by insurers due to late or non-payment of premium by customers.

If you make a claim on your policy and receive a payment from your insurer, we will advise them of any outstanding premium due to us and request that it be offset against any settlement made to you in order to clear any outstanding balance owed.
